

# Jefferson Parish Supports Healthier Air For All

85%

of Jefferson Parish voters consider secondhand smoke to be a health hazard.

82%

agree maintaining smoke-free environments inside ALL workplaces is important.

81%

support protecting the rights of employees and customers to breathe clean air in restaurants, BARS and GAMING VENUES.

**Protect every Jefferson Parish worker.  
Enhance our quality of life.  
Support Healthier Air for All.**

**Would smoke-free ordinances for bar and gaming venues make going out more enjoyable?**

59% Yes.

31% No difference.

8% No.

Jefferson Parish residents on the East Bank and the West Bank support smoke-free bars and gaming venues, believing they would create healthier work environments and improve the area's quality of life.

Jefferson Parish voters agree the rights of employees to breathe healthy air is more important than a smoker's right to smoke indoors.
