The Louisiana Campaign for Tobacco-Free Living

Congrats on 10 years...here's to 10 more!!!!

I am proud to support healthier air for all of Alexandria!

I ask the Alexandria City Council to reaffirm our city's commitment to healthier air for all Alexandrians. Regardless of where we live, work, or play, we believe everyone in Alexandria deserves to right to health by breathing clean, smoke-free air. Nearly 10 years ago, Alexandria became the first Louisiana municipality to enact a comprehensive smoke-free ordinance and we want to stay #1.

I support Healthier Air for All!
