

HealthierAirForAll.org

The Louisiana Campaign for Tobacco-Free Living

Everyone deserves healthy air!

I am proud to support healthier air for all!

I support a comprehensive smoke-free policy to promote a healthier community. Smoking is the leading cause of avoidable deaths. It costs Louisiana millions of dollars in healthcare costs and thousands of lives every year. Comprehensive smoke-free policies protect employees, patrons, entertainers, and musicians where they live and work, benefiting us all.
